

FRIENDS OF SANTA CRUZ STATE PARKS OFFERS FALL OPEN HOUSE DAYS AT THE CASTRO ADOBE STATE HISTORIC PARK

The Public is Invited to Tour the New State Park Including the Restored Historic Garden and Cocina

October 6, 2015—SANTA CRUZ, CA—Friends of Santa Cruz State Parks (Friends), a local non-profit supporting 32 state parks and beaches in Santa Cruz and San Mateo counties, along with California State Parks, today announced the Castro Adobe State Historic Park will be open to the public on Saturday, Oct. 10; Saturday, Nov. 14; and Saturday, Dec. 5 from 11 a.m. to 3p.m. Admission is free with donations to support the park gratefully accepted.

Located in Larkin Valley, near Watsonville, the two-story Castro Adobe, built between 1848-49, is one of the finest examples of a rancho hacienda in the Monterey Bay area. Open House visitors will be able to tour the property including the restored *cocina* (kitchen) and the Potter-Church Garden. The garden is a unique outdoor space originally created by then-adobe owners Elizabeth and David Potter from 1968 to 1972, in consultation with noted landscape architect Thomas Church.

State Park Interpretive Rangers and Friends' volunteers will be on hand to offer a "sneak peak" into the restoration process and to assist visitors who would like to enjoy handmade tortillas cooked on the recently reconstructed *brasero* (stove).

The Castro Adobe is located at 184 Old Adobe Road, north of Watsonville. Parking is extremely limited, so carpooling is encouraged.

Friends is leading a multi-year restoration effort to preserve and interpret the site and is partnering with California State Parks to open the adobe as a State Historic Park. It is Santa Cruz County's second State Historic Park and the first non-beach state park in the Pajaro Valley. The Castro Adobe is open on a limited basis for special events, such as Open House Days.
